

# **Volunteers Needed for a Research Study Testing New Artificial Intelligence Technologies**

**It takes one hour. Participants receive a  
\$20 Amazon gift card**

Researchers at Northeastern University  
are developing an AI system for alcohol counselling.

We are looking for volunteers to help us evaluate the system.

In order to participate, you must be 18 years or older, be a native speaker of English, drink alcohol, take an online survey, have access to a computer with internet access, a browser, web-cam, and microphone.

The study will take place over a secure videoconference link  
and will take approximately one hour.

**If you are interested and to see if you are eligible,  
please fill out the questionnaire at**
